

Ophthalmology

Right Place, Right Time, Right Choice

My General Practice is independently managed by doctors and our highly trained medical staff are equipped with the latest equipment.

At My General Practice, great emphasis is placed on achieving a smooth and stress-free experience for our patients so that you need only concentrate on your own well-being and your speedy recovery.

We recognise that you need the highest clinical standards at a time and place convenient to you. You will be seen in our dedicated consulting rooms and you are encouraged to discuss your condition and specific requirements with our clinicians; you will find our staff professional and friendly.

We will contact you within four days of us receiving notification of your referral. We will then discuss the earliest and most convenient time for your consultation to suit your particular circumstances. Following your consultation, your GP will receive a full report from our clinician within 48 hours.

There is ample free car parking within a 2 minute walk and Bracknell bus and train station is about 7 minutes walking away. Thank you for choosing My General Practice.
